

Dual Wireless Remote Control

AS-1000FR

FEATURES:

Safe, One Person Operation

Control from Inside or Outside the Vehicle

Save Hook-Up Time

Easy Installation!

Add Ease of Use to Your RV Lifestyle!

Control your front 5th wheel jacks from inside your truck!

Wireless Remote Control

Operate your slide-rooms from inside or outside your RV!

The Most Universal Wireless Control In The RV Market!

Operate your front jacks from inside or outside your tow vehicle! This remote is a "life saver" for the less mobile customers, and for the ones that simply love the convenience!

Also, oversee the slide-out rooms from inside or outside the RV. Now there is no need to be restricted to one area to operate your slide-rooms!

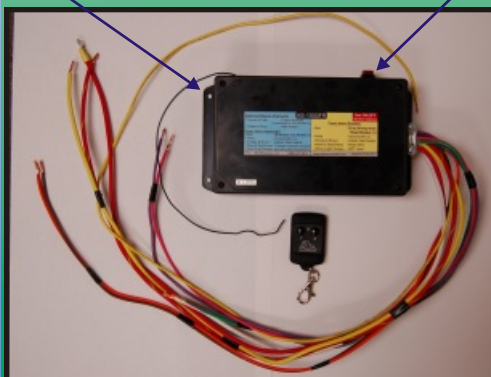

Wireless Controller For:

- Fifth Wheel Front Jacks !
- All Slide-Out Rooms !

AS-1000FR Dual Wireless Remote Control

Mounting Tabs
