Control your Dump Trailer from inside your vehicle!

Wireless Remote Control

Control your Dump Trailer from 50-100 feet away!

Add Value And Ease Of Use To Your Dump Trailers!

Raise and lower the Dump Trailer from inside or outside the tow vehicle! This remote is a "life saver" for the less mobile customers, and for the ones that simply love the convenience!

Simply hold down a button and let the Wireless Motor Control System operate your existing 12-Volt DC Hydraulic Pump. Now there is no need to be restricted to one area to operate your Dump Trailer.

This convenient wireless system lets you move around and monitor the area while operating your Dump Trailer.
