

# Wireless Motor Control Limited Warranty

American Technology Components, Inc. (Seller) offers a one-year warranty against defects in material and workmanship, from the date of retail sale.

This warranty covers any defects in material or workmanship when the product is properly installed on those vehicles or on those systems for which it was designed. Not covered under this warranty are any products or parts thereof which have been damaged or rendered ineffective or inoperable by any act, negligence, misuse, use in a non-recommended application or repaired or attempted to be repaired by any person other than Alta Resources.

Also not covered under this warranty are removal and installation costs, shipping costs on any returned item, damage caused in vehicle accidents or incidental or consequential damages such as, but not limited to, expense for loss of your vehicle, rental or delivery vehicles, normal wear and tear, natural disasters or acts of God.

Seller is not responsible for the integrity of any system used in conjunction with the Wireless Motor Control including, but not limited to, electric motors, switches, brackets, fasteners, wiring, or mechanisms.

This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state.

Should the product fail for any reason covered under this warranty, it should be returned to American Technology Components by the original purchaser with a letter explaining the nature of the problem. Upon verification, Seller, at its sole discretion, will repair or replace the product at no charge to the original purchaser.

No representative or agent of the Seller has the authority to make any representations or promises except as stated herein.

This warranty applies to the motor control components only and does not include installation, or any installation components.
